

# We

Recall the trigger  
the smile  
the talk  
the way

connect the chemical  
the instinct  
the animal

warmth, eyes, words, skin  
the labyrinth leads to within

eager heart  
validate the dream  
trade promises  
validate the heart  
circumnavigate the soul  
validate the dream  
trade promises  
validate the heart

infinitem

**Tanya Petrovic**  
**2005**

***Based on the book by David W McMillan – ‘The Art of Lasting Relationships’  
Relationship theory of trade within a relationship. Human desire is satisfied  
through trading. Trading through social-emotional status.***

***Also, the indefinable elements that attracts one human to another.***
